China vs France

More ownership. More scale. Room to grow.

A practical guide to ownership, tax, visas and business growth.

COMPARE	CHINA | THE OPPORTUNITY	FRANCE
Foreign ownership	**100% foreign-owned** in many sectors; activity restrictions apply.	**100% foreign ownership** generally possible; sensitive activities may require investment approval.
Corporate income tax	**5% effective CIT** for qualifying small companies with annual taxable profit up to RMB3m.* Standard rate: 25%.	**25% standard CIT**; qualifying SMEs pay **15% on the first EUR42,500** of profit.
VAT / sales tax	**1% on eligible transactions** for small-scale taxpayers, generally with sales up to RMB5m.*	**20% standard VAT** in mainland France; reduced rates and exemptions apply.
Dividend tax	**20% for foreign individuals** from 1 Sep 2026. Corporate shareholders have different rules.	Generally **12.8% withholding for nonresident individuals**; corporate recipients follow different rules.
Repatriating profits	**Permitted after tax and distribution compliance.** Banks review corporate, financial and tax records.	**Generally transferable abroad** after lawful distribution and tax compliance; bank checks apply.
Family visa rights	**S1:** eligible spouse, parents, children under 18 and parents-in-law; residence application required.	**Talent route:** eligible spouse/minor children can accompany. Ordinary entrepreneur family routes differ.
Hiring & capital	**No general nationwide 4:1 hiring rule.** Local work-permit and capital requirements apply.	Capital depends on legal form; some start from **EUR1**. Immigration resources are assessed separately.
Work & residence	Eligible founders can apply through a **genuine operating company**; applicant and job criteria apply.	**Entrepreneur route** requires a viable project and resources; qualifying talent routes have separate criteria.
Market size	**Around 1.4 billion people.** A large domestic customer base; demand varies by product.	**Around 69 million people** (2026), with access to the wider EU single market.
Supply chain & talent	**Broad industrial supply chains** and a large workforce for sourcing and scaling.	Strong aerospace, luxury and specialist industries; China offers larger manufacturing and workforce scale.
Banking & setup	**Multilingual local support** for documents, appointments and bank coordination. Bank approval required.	Company registration, activity requirements and bank KYC; residency needs a separate qualifying route.

* China: 5% CIT needs total profit <= RMB3m, <= 300 staff, assets <= RMB50m and eligible activity. Small-scale VAT conditions apply; input VAT generally not deductible. Both concessions end 31 Dec 2027. Standard China VAT rates differ. Dividend figures concern foreign individuals/nonresidents, not total personal tax; treaties may reduce rates. Family rights depend on route; work rights vary. Population figures are rounded 2025/26 estimates. Reviewed 29 Oct 2026.
